ANOTHER LANDMARK TO BE DEMOLISHED

Adobe Building on San Antonio, Known as American Kitchen, Has Been for 26 Years a Restaurant.

en, 103 San Antonio street, must be pulled down to make way for a more modern building. A permit has been issued for its wreckage. The building is an adobe structure and has stood on the present site for more than 30 years. It first became a restaurant when Pete Michero, now decensed, moved luto it in 1888 and set out a sign announcing that the place was the "Link" restaurant. The restaurant became famous for its steaks and the plates of macaroni especially prepared by Michero, for the Italians and Frenhmen, who are said to have Frenhmen, who are said to have flocked to the restaurant in numbers for that dish. Pete Candelario, who has lived in

Paso just 46 years, remembers the ink" restaurant. Shortly after there embarked in the restaurant James I. Hewitt, with anyor Kelly will be members of the reception committee of the recompliance of the restaurant of the restaurant business. Candelario, who was then business.
